Our Katrina experience was:

We left + went to Florida, Came home the next day to see what the weather did our house. We left + went to the Kids, then Meridian, then we went back to Florida. After awhile we came back to the Kids. Then we got a FEMA camper + came back to our house to clean up. We had 7 feet of water + all of our things got wet + dusty or lost. I was sad + scared but we will Fix everything.

Write something special that you would like Santa to bring you or your family:

I want another Powerwheel 4wheeler. mine got lost from the hurricane. I want my family to have the house finished. I lost all my clothes + toys. My sister lost all her stuff too. My mom + dad lost there clothes + TV's + everything. So we use a very small TV. My real 4wheeler got messed up too

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Thank you Santa.
